Lines from Lori...

Summer –sometimes we don't ever think it will come and then when it does, it goes sooooooooooooo fast! Summer can bring some mighty hot weather, but it can also bring carefree days when there is time to throw a pebble and watch it skip in the water. I can remember saying "what to do" when I was a child. I only said that once because I think one of my parents came up with something to do that wasn't what I wanted. After that I learned to savor the relaxing times of summer. I hope you had a few of those this summer. Maybe you can sneak in a few relaxing times this autumn as well.

Check out this newsletter. We have lots of new classes, new fabrics and products, plus it is always fun at Lori's!
