Lines from Lori...

Our business at Lori's was founded over 37 years ago. I did not know where the road would lead, but I took a chance. Wow no two days alike and the most awesome customers in the world. ☺

A few weeks ago, a little girl sat at the counter while her mother shopped. How old are you honey, I asked? She replied, "I am a handful"! What a cute way for a 5 year old to tell me her age. As life's experiences cause you to ponder, ask yourself with a smile "How many handfuls am I?"

This newsletter is full of great opportunities.....classes, sales, new products, & fun. Stop in and check it out.

See you soon,

Lori
